CVSN Adds Westrans to its list of Quality Member Companies

(Jacksonville, FL – April 11, 2017) – CVSN is proud to announce that the Westrans Company is now a member of the association.

Westrans, with headquarters in Winnipeg, Manitoba, Canada, is a leading remanufacturer and supplier of parts for commercial trucks and trailers, passenger cars and trucks, agricultural equipment, and heavy duty industrial equipment, also has branches in Regina, Saskatchewan and Thunder Bay, Ontario.

Since starting as a transmission and differential rebuilder in 1967, they have expanded their operations to become true brake and powertrain specialists, powered by some of the most experienced staff in the industry. Westrans complement their quality remanufacturing work with a fully-stocked parts department, as well as a 14 bay service centre at the Winnipeg location. Westrans offers an extensive parts delivery service to Winnipeg, Regina, Thunder Bay, and surrounding areas, as well as a 24-hour emergency parts answering service.

Westrans CEO John Williams said, “Westrans, has joined CVSN to support its efforts to help the independent distributor in the heavy duty industry grow their business, to network with other key industry leaders, and take advantage of the CVSN training and best practices education opportunities.”

CVSN Executive Vice President, Angelo Volpe said, “We are very excited to have Westrans, one of the top distributor companies in Canada, join the impressive list of CVSN distributor members. A strong membership base is key to helping CVSN continue its fight for the independent commercial vehicle distributor on key legislative issues like Right to Repair and continue to provide training programs.”

CVSN congratulates Westrans as they celebrate their 50th anniversary in 2017. Westrans is also an HDA Truck Pride shareholder and member of HDAC in Canada.

About CVSN: CVSN (www.cvsn.org), with over 60 members and over 400 warehouse locations across North America, is the voice of the independent aftermarket distributor. The mission of CVSN is to strengthen its members’ businesses through training and education and building strong relationships between members and their supply partners across North America. CVSN is leading the efforts to protect the independent aftermarket from challenges brought by the OE vehicle manufacturers and government regulations. CVSN is a co-owner of the all-industry HDAW along with the Auto Care Association and the Heavy Duty Manufacturers Association (HDMA). The association also is a partner in the CVSN/GenNext Training Expo and the Annual September Aftermarket Distribution Summit for their distributor members, supplier partners and spouses.
