THE ORIGINAL PARTS WAREHOUSE Joins CVSN

(Jacksonville, FL – April 25, 2017) – CVSN is proud to announce that the Original Parts Warehouse is a new member of the association.

Founded in 1999, The Original Parts Warehouse (OPW) has developed a reputation for combining quality products with dependable service. What started off as a small parts operation in Hamilton, operations would eventually evolve into something much greater! Now based in Vaughan, Ontario, OPW's tenacity and dedication to build strong lasting relationships with their suppliers has enabled them to grow into an iconic Canadian distribution warehouse. With national reach, OPW is able to service the industry with any heavy duty truck parts you need! OPW is committed to its ever-growing hard parts offering for all applications, including: Truck & Trailer, Industrial, Waste Management, Transportation, Couriers, Forestry, Construction, Mining, Oil, Cement, Quarry, Agriculture, and more!

OPW's director of purchasing Piero Amello said, "As an industry leader, we want to be a part of all associations as we continue to build strong relationships with our supplier partners. CVSN is a marquee heavy duty association which is well respected by not only suppliers but by the industry leaders in the aftermarket."

CVSN Executive Vice President, Angelo Volpe said, "We welcome OPW as a new Canadian member of CVSN to help us grow and strengthen our presence as an association in North America as a whole and strengthen our base for important industry legislative issues."

To learn more about CVSN and association membership visit www.cvsn.org or call 904-737-2900.

About CVSN: CVSN (www.cvsn.org), with over 60 members and over 400 warehouse locations across North America, is the voice of the independent aftermarket distributor. The mission of CVSN is to strengthen its members' businesses through training and education and building strong relationships between members and their supply partners across North America. CVSN is leading the efforts to protect the independent aftermarket from challenges brought by the OE vehicle manufacturers and government regulations. CVSN is a co-owner of the all-industry HDAW along with the Auto Care Association and the Heavy Duty Manufacturers Association (HDMA). The association also is a partner in the CVSN/GenNext Training Expo and the Annual September Aftermarket Distribution Summit for their distributor members, supplier partners and spouses.
