CVSN Adds Cook Brothers Truck Parts to its list of Quality Member Companies

(Jacksonville, FL – April 25, 2017) – CVSN is proud to announce that Cook Brothers Truck Parts is a new member of the association.

Cook Brothers Truck Parts, headquartered in Binghamton, New York, has a total of 10 locations throughout NY. and PA. with more than 120,000 parts in stock, Cook Brothers is one of the leading suppliers in the northeast.

Cook Brothers continues to grow its parts business as well as its heavy-duty truck business. Throughout the years, the management team at Cook Brothers has strived to be the one-stop for the trucking industry. "For all your truck parts needs" has been the company slogan and its ultimate goal. Having never lost sight of that goal, a full line of heavy-duty truck parts, service repair facilities, full service driveline facilities, new and used truck sales, and leasing as well as a 24-hour emergency parts answering service in some areas.

Cook Brothers President Henry B. Cook Jr. said, "The primary reason for joining CVSN was because of their educational training programs, networking opportunities, governmental regulation information, best practices information, and the ability of benchmarking to peers."

CVSN Executive Vice President, Angelo Volpe said, "We are proud to have Cook Brothers Truck Parts as a new member of CVSN to help us support and educate the industry on key legislative issues like Right to Repair and welcome their participation in our association initiatives."

CVSN would like to congratulate Cook Brothers as they approach their 100th anniversary in 2018.

To learn more about CVSN and association membership visit www.cvsn.org or call 904-737-2900.

About CVSN: CVSN (www.cvsn.org), with over 60 members and over 400 warehouse locations across North America, is the voice of the independent aftermarket distributor. The mission of CVSN is to strengthen its members' businesses through training and education and building strong relationships between members and their supply partners across North America. CVSN is leading the efforts to protect the independent aftermarket from challenges brought by the OE vehicle manufacturers and government regulations. CVSN is a co-owner of the all-industry HDAW along with the Auto Care Association and the Heavy Duty Manufacturers Association (HDMA). The association also is a partner in the CVSN/GenNext Training Expo and the Annual September Aftermarket Distribution Summit for their distributor members, supplier partners and spouses.
