CVSN Adds Brake and Clutch Supply Inc. to its list of Quality Member Companies

(Jacksonville, FL – Feb 12, 2019) – CVSN is proud to announce that Brake and Clutch Supply Inc. is a new member of the association.

Brake and Clutch Supply, Inc. was founded in 1962. Cascade Friction Materials, Inc. was founded in 1982. They have 31 employees, a 21,000 sq. ft. warehouse, a machine shop, a fabrication shop, a bonding shop, a clutch shop, and tear down areas for brake shoes, clutches, and industrial frictions.

Brake and Clutch Supply's staff is well trained, and experienced. The courteous and professional employees work hard to satisfy the most demanding of customer needs. President Paul McNeal said "Keeping up to date on best practices for not only running my company, but also for recruitment."

Paul McNeal also stated that "we plan on participating in the distributor training expo in Atlanta." The 2019 DTE will be at the Hyatt Regency in Atlanta April 26th-28th. Supplier sponsorships are sold out. Distributor spaces are going fast. To register go to: <https://miregistration.net/gncvsndist/>

CVSN Executive Vice President, Angelo Volpe said, "CVSN/GenNext are very pleased to have Brake and Clutch Supply and their great people on board. It is crucial for companies today to keep their employees trained and educated on the latest technology and product offerings from our supplier partners and the CVSN/GenNext DTE offers that." Volpe added "the CVSN Summit that attracts the top executives from both the distributor and supplier companies also offers Best Practices presentations and great relationship building opportunities." The 2019 CVSN Summit will be held September 14-18 at the Rimrock Hotel in spectacular Banff, Alberta, Canada.

CVSN/GenNext will also be ramping up our efforts in 2019 to recruit younger people into the Heavy Duty industry using targeted videos and an HD job board.

About CVSN: CVSN (www.cvsn.org) CVSN is the voice of the heavy duty independent aftermarket distributor. The mission of CVSN is to strengthen its members' businesses through training and education and building strong relationships between members and their supply partners across North America. CVSN is leading the efforts to protect the independent aftermarket from challenges brought by the OE vehicle manufacturers and government regulations. CVSN is a co-owner of the all-industry HDAW along with the Auto Care Association (ACA) and the Heavy Duty Manufacturers Association (HDMA). The association also is a partner in the annual CVSN/GenNext Training Expo and is host of the annual Aftermarket Distribution Summit geared to the top level management of the distributor member companies, supplier partners and spouses.
